📁 EXPERIENCE

VIDEO PRODUCTION
Directing, producing, filming, and editing video for various clients. Locations have included Mexico, Colombia, and more for promotional and narrative productions.

PHOTOGRAPHY
Shooting in both studio and on-location environments, my portfolio includes portraits, headshots, weddings, product, event and landscape photography.

TV SHOW EDITING
Editing content distributed on networks such as Lifetime, Fox Business, and CNBC across the world. Programs have been broadcasted in North America, Europe, Australia, the Middle East and more.

GRAPHIC DESIGN
Creation of visual content across different forms of media such as billboards, book illustrations, album art, logos, posters,, social media posts, merchandise, drawings, and paintings.

LIVESTREAMING
Directing and Producing live broadcasts of events including sermons and concerts for social media and online audiences.

WEB DEVELOPMENT
Drafting and implementing both new and redesigned websites with use of web building platfroms or HTML and CSS.
